FOR IMMEDIATE RELEASE

City of Temple Announces Old Waco Road Closure/Detour

*****UPDATE*****

TEMPLE, TX - (August 12, 2015) Old Waco Road from Adams Avenue to Brandon Drive was closed to traffic beginning on June 8, 2015, for reconstruction and widening of the road. The duration of the closure was estimated at 60 days, however, the relocation of private utilities has delayed some of the construction that the City's contractor can perform. Subsequent to the relocation of the private utilities, our contractor will need approximately 45-60 days to complete work and open the road to the public.

Until the road is open, local traffic will continue to be detoured through Meadowbrook Drive and Brandon Drive. Throughout the road closure, Meadowbrook Drive at Adams Drive will continue to be restricted to right turn only.
